NOTIFICATIONS.

No. D. 5641—*I. & C.* 136-39-6, *dated Bangalore the 20th June* 1940.

The following draft rules which the Government of His Highness the Maharaja of Mysore propose to make in exercise of the powers vested in them under Section 78(1) of the Mysore Factories Act, I of 1936, regarding Hazardous Operations are hereby published for the information of persons likely to be affected thereby. Any suggestions or objections in regard to these rules may be sent to the Secretary to Government, Development Department, within three months from the date of this publication.

(1) Chromium.
(2) Cellulose.
(3) Sand blasting.
(4) Cyanogen Compounds.

By Order,

C. E. NORONHA,
Secretary to Government,
Development Department.

NOTIFICATION No. 1.

In exercise of the powers conferred by Section 33 (4) of the Mysore Factories Act of 1936, the Government of His Highness the Maharaja of Mysore are pleased to make the following Rules namely:

Rules.—

1. *Title and Application.*—(*a*) These rules may be called the Hazardous (Chromium) Rules, 1940.

(*b*) They shall apply to all Factories in which any operation involving the use of soluble chromium compounds is carried on.

2. *Declaration of operations as hazardous.*—Operations involving the use of soluble chromium compounds

are declared to be hazardous operations when carried on in any factory.

3. *Prohibition of the employment of women, children and adolescents.*—No woman, child, or adolescent shall be employed in any factory in any of the operations specified in Rule 2.

4. *Protective Clothing.*—(*a*) The occupier shall provide water-proof aprons (of a pattern approved by the Chief Inspector of Factories) or overalls in a clean condition which every person employed on any of the operations specified in Rule 2 shall wear.

(*b*) The occupier shall provide loose fitting rubber gloves of suitable length and rubber boots or other water-proof foot wear for the use of those working at any vessel in which electrolytic plating or oxidation of metal articles by the use of an electrolyte containing chromic acid or other chromium compounds or any process subsequent thereto is carried on :

Provided that the Chief Inspector of Factories may grant exemption from any or all the provisions of this rule where he is satisfied that they are not necessary to secure the health of the workers.

5. *Exhaust draughts.*—An efficient exhaust draught shall be provided, by mechanical means for the process of electrolytic plating or oxidation of metal articles by the use of an electrolyte containing chromic acid or other chromium compounds. The draught shall operate on the vapour or spray given off in the process as near as may be at the point of origin, so as to prevent it (as far as practicable under the atmospheric conditions usually prevailing) from escaping into the air of any place in which work is carried on.

NOTIFICATION No. 2.

In exercise of the powers conferred by Section 33 (4) of the Mysore Factories Act of 1936, thd Government of His Highness the Maharaja of Mysore are pleased to make the following Rules namely :—

Rules.—

1. *Title and application.*—(*a*) These rules may be called the Hazardous Occupations (Cellulose Spraying) Rules, 1940.

(*b*) They shall apply to all Factories in which the spraying of Cellulose ester paints and lacquers is carried on.

2. *Declaration of operation as hazardous.*—The spraying of Cellulose ester paints or lacquers, is declared to be hazardous operation when carried on in any factory.

3. *Prohibition of the employment of children and adolescents.*—No child or adolescent shall be employed in any factory on the operation specified in Rule 2.

4. *Exhaust draughts.*—An efficient exhaust draught shall be provided by mechanical means for the process specified in Rule 2. The draught shall operate on the vapour given off in the process as near as may be at the point of origin so as to prevent it (as far as practicable under the atmospheric condition usually prevailing) from escaping into the air of any place in which work is carried on. The draught shall be maintained working for a period of at least five minutes after the cessation of the operation :

Provided that the Chief Inspector of Factories may grant exemption from the provisions of this rule if he is satisfied that due to the casual nature of the operation they are not necessary to secure the health of the workers.

5. *Position of Spray Operators.*—Arrangements shall, as far as practicable, be made so as to render it unnecessary for the person operating the spray to be in a position between a ventilating outfit and the article being sprayed.

NOTIFICATION No. 3.

In exercise of the powers conferred by Section 33 (4) of the Mysore Factories Act of 1936, the Government of His Highness the Maharaja of Mysore are pleased to make the following Rules namely :—

Rules.—

1. *Title and application.*—(*a*) These rules may be called the Hazardous Operations (Sand Blasting) Rule, 1940.

(*b*) They shall apply to all Factories in which the operation of sand blasting as defined in Rule 2 is carried on.

2. *Definition.*—In these Rules sand blasting means the use of a jet of sand, metal shot, grit or other abrasive, propelled by a blast of compressed air or steam.

3. *Declaration of operation as hazardous operation.*—Sand blasting is declared to be a hazardous occupation when carried on in any factory.

4. *Prohibition of the employment of women adolescents and children.*—No woman, adolescent or child shall be employed in any Factory on sand blasting.

5. *Protective Clothing.*—(1) No person shall be allowed to perform or to assist at sand blasting in the open air or to work within 30 ft. of sand blasting apparatus in operation in the open air, unless he is wearing a suitable helmet and gauntlets.

(2) No person shall be allowed to work in or remain in a sand blasting chamber, unless he is wearing a suitable protective helmet overalls and gauntlets or to insert his arm or hand into the chamber, unless he is wearing a suitable gauntlet while sand blasting is carried on.

(3) The occupier shall provide and maintain in good condition all helmets, gauntlets and overalls necessary for compliance with sub-rules (1) and (2).

(4) A protective helmet shall not be considered suitable unless it carries the distinguishing mark of the person to whom it is issued and by whom it is intended to be used and is provided with a sufficient supply of pure air for breathing and ventilation, together with suitable arrangements to permit the escape of the expired air.

(5) No person shall wear a protective helmet that has been worn by another person unless and until such protective helmet shall have been thoroughly disinfected.

NOTIFICATION No. 4.

In exercise of the powers conferred by Section 33 (4) of the Mysore Factories Act of 1936, the Government of His Highness the Maharaja of Mysore are pleased to make the following rules namely :—

Rules.—

1. *Title and application.*—(a) These Rules may be called Hazardous Operations (Cyanide) Rules, 1940.

(*b*) They shall apply to all Factories in which any operation involving the use of Cyanogen compounds is carried on.

2. *Declaration of operations as hazardous.*—Operations involving the use of cyanogen compounds are declared to be hazardous occupations when carried on in any factory.

3. *Prohibition of the employment of women, children and adolescents.*—No woman, child or adolescent shall be employed in any factory in any of the operations specified in Rule 2.

4. *Protective clothing and antidote.*—(1) Occupier shall provide rubber gloves for hands and arms of workmen reaching above the elbows, employed in any of the operations specified in Rule 2. (2) The occupier shall keep a box containing the antidote consisting of the following—

(i) 30 c.c. of a 23 per cent solution of ferrous sulphate.

(ii) 30 c.c. of a 5 per cent solution of caustic potash.

(iii) Two grams of powdered oxide of magnesium.

(3) The abovenamed box should be provided with a glass front and placed in some conspicuous place in the Factory and the words "Antidote for Cyanide Poisoning" with clear instructions of its use should be painted on the box.

5. *Exhaust draught.*—An efficient exhaust draught shall be provided in the Chamber where operations specified in Rule 2 are carried on. The draught shall operate on the vapour given off as near as may be at the point of origin so as to prevent it (as far as practicable under the atmospheric conditions usually prevailing) from escaping into the air of any place in which the operations are carried on.

No. Rl. 3096—*L. C.* 19-39-6, *dated Bangalore 21st June* 1940.

In exercise of the powers conferred by the Government of Mysore Act, 1940, the Government of His Highness the Maharaja of Mysore are pleased to direct that the following rule be substituted for rule 35 of the Legislative Council Rules :—

"Subject to the provisions of Chapter III, a person shall be qualified to be included in the electrol roll—

(*a*) for the European Planting Constituency, if he is an European, and

(i) is the proprietor of an estate of not less than fifty acres assessed to coffee assessment; or

(ii) is the superintendent or manager of any such estate owned by a corporation which is under European control; or

(iii) if any such estate is owned by a partnership, is a partner nominated in that behalf by the other partners or is the superintendent or manager thereof;

(*b*) for the Indian Planting Constituency, if he is an Indian, and

(i) is the proprietor of an estate of not less than fifty acres assessed to coffee assessment; or

(ii) is the superintendent or manager of any such estate owned by a corporation which is under Indian control; or

(iii) if any such estate is owned by a partnership, is a partner nominated in that behalf by the other partners or is the superintendent or manager thereof;

Provided that, where any such estate is owned by a corporation or a partnership, not more than one person shall be qualified to be included in the electoral roll."

No. Rl. 3097—*R. A.* 39-39-1, *dated Bangalore, the* 21*st June* 1940.

In exercise of the powers conferred by the Government of Mysore Act, 1940, the Government of His Highness the Maharaja of Mysore are pleased to direct that the following rule be substituted for rule 48 of the Representative Assembly Rules:—

"Subject to the provisions of Chapter III, a person shall be qualified to be included in the electoral roll—

(*a*) for the European Planting constituency, if he is an European and—

(i) is the proprietor of an estate of not less than twenty acres assessed to coffee assessment; or

(ii) is the superintendent or manager of any such estate owned by a corporation which is under European control; or

(iii) if any such estate is owned by a partnership, is a partner nominated in that behalf by the other partners or is the superintendent or manager thereof;

(*b*) for the Indian Planting constituency, if he is an Indian and—

(i) is the proprietor of an estate of not less than twenty acres assessed to coffee assessment; or

(ii) is the superintendent or manager of any such estate owned by corporation which is under Indian control; or

(iii) if any such estate is owned by partnership, is a partner nominated in that behalf by the other partners or is the superintendent or manager thereof:

Provided that, where any such estate is owned by a corporation or a partnership, not more than one person shall be qualified to be included in the electoral roll."

By Order,

H. V. NARAYANA RAO,

Secretary to Government,
Law Department.
